

ACKNOWLEDGEMENT

We the Team Eon, John Michael Paraiso, Jane Era Gonzales, Andrea Polino, John Jerwin Riobuya would like to express our profound gratitude to the following group of people who helped us to complete our IT Special Project.

First and foremost, to our Almighty God who gives us knowledge and strength to finish this project.

To Mr. Tersito M. Alajair Jr., our thesis adviser, for the helping hand, corrections, suggestion, advice, guidance and concerns he shared with us.

To Mr. Ur Marcelino, our project coordinator, who gave us ideas and suggestions to improve our project.

To Mr. Neptune T. Tandog Jr., for the ideas he shared with us and for checking the documentation of our IT Special Project.

To our loving parents, for their moral and financial support, for the love and inspiration they have given us to pursue our bachelor's degree and letting us work overnight with our group.

To all faculty staff of STI College Kalibo, thank you for the support and for providing the facilities and materials we need.

And lastly, to our friends, classmates and schoolmates, we thank you for helping us achieves our goal: to complete this project.
